

Follow your entrepreneurial curiosity in Fintech and sign up now for the HFA Executive Fintech Summer School in collaboration with AI4Fintech of the University of Amsterdam

On **July 3–4, 2025**, in the stimulating setting of the HFA Executive Fintech Summer School, you can immerse yourself in the latest knowledge and insights alongside international participants. In collaboration with the **AI4Fintech Institute of the University of Amsterdam**, HFA has developed an engaging **2-day English-language program** with an outstanding line-up.

Fintech Founders, CTO's, Professors and Researchers in **Fintech Business, Science, Technology & AI** will guide you through deep-dives into **blockchain, crypto, fraud detection in financial services, risk management and growing your business**. There's ample opportunity to hear first-hand experiences with **AI applications** in Fintech and Financial Services. Gain insights into how **fintech companies** grow and what that entails. **Founders, CEOs, and CTOs** will share their journeys as innovative entrepreneurs. Companies like **Buckaroo, Silverflow, Euroclear, APG, Protiviti, and COPS** will offer you insights you won't find in textbooks—straight from personal experience.

Interactive workshops will let you quickly translate knowledge into practice. Nowhere will you get this close to real-world fintech experiences as in the exclusive environment of the **HFA Executive Fintech Summer School** at the University of Amsterdam. This is a unique opportunity to acquire the latest knowledge in a short time and apply it directly to your company or organization.

The HFA Executive Fintech Summer School takes place at the **Amsterdam Business School of the University of Amsterdam**.

Start your summer smartly. Spend two valuable days diving deep with fascinating participants and register now at <https://hollandfintechassociation.org/hfa-executive-fintech-summer-school/> Please mention in your application **"Special Discount"** and you pay 25% less.

We look forward to welcoming you!

Prof. Dr. Annemieke J.M. Roobeek, President of the Holland Fintech Association and Content Curator of the HFA Executive Fintech Summer School **Info:** annemieke.roobeek@hollandfintechassociation.org
